

## CLCC Boat Slip and Rack Space Registration Form - 2021

All CLCC Members wanting to moor their watercraft at a CLCC dock must register their watercraft(s) with the CLCC. The CLCC will then assign a dock slip and/or rack space and provide current year boat stickers. All watercrafts must display current year boat stickers for their assigned dock slip/rack space.

Starting with the 2021 budget, dock maintenance will be a separate line item and all funds and expenses will be tracked as such. For years our docks have been getting minimal care due to budget constraints. This year's increase in the dock fees will allow us to address much needed improved maintenance, boat slip governance and dock safety.

CLCC Primary Member Name

Lake Address

Cell Phone Number

Email Address

Used to contact for problems with boat or slip

Needed for boating email distributions

### Boat Slips - \$100 per boat slip; \$200 if 24' or greater\*

\* As per revised Dock Management Policy (AD02-05), boats in overall length of 24 feet and above, based on state registration, will require the member to purchase two (2) boat slips at the current rates based on per slip fees per season.

Attach to this application a copy of the current state registration(s) as required by state law. Where not applicable (i.e. non-motorized), attach a copy of the Proof of Ownership for the watercraft(s) for which you are requesting a sticker(s). Refer to the Boat Sticker Policy (AD03-05) in the CLCC Policies dated January 25, 2014 for more detail.

**YOU WILL NOT RECEIVE A DOCK SLIP WITHOUT CURRENT REGISTRATION.**
